QUALITY MAKES THE DIFFERENCE

**unipo®**

Brand of BVS Industrie-Elektronik

**Original:**  
Siemens OP7

**Replacement:**  
unipo® UCP5

**Original:**  
Siemens OP25/27

**Replacement:**  
unipo® UCP250

**unipo® offers replacement solutions for products from well over 100 machine and controller manufacturers**

## The advantages BVS has to offer:

- ✓ Development & reconstruction of fully compatible substitutes for numerous, even discontinued & legacy HMI/IPC original products
- ✓ Experience in the field of HMI/IPC since 1983 with over 500,000 units sold worldwide
- ✓ Lifetime service and support – even on site
- ✓ Durable and scalable module system
- ✓ Quick and easy replacement of the original products
- ✓ Increased colour brilliance of the displays compared to the original products
- ✓ Longer mechanical service life thanks to metal housing

## unipo® - in-house HMI/IPC solutions

Individual solutions for over 100 manufacturers

With our proprietary brand **unipo®** we offer **fully compatible replacement solutions** for numerous already **discontinued** and **legacy HMI/IPC original products** from **over 100 machine and controller manufacturers**.

These include products from **Siemens, Bosch Rexroth, Fanuc, Heidenhain** and **Heller**. On request, we will gladly check whether we can help you with your specific needs.

## Overview of unipo® products
